LOV: The LOV (Lighthouses of the Valley) movement is an alliance of pastors and Christian leaders in the Coachella Valley. LOV began as a group of pastors meeting monthly to pray and seek God's blessing for their communities. LOV has grown to include a cross-denominational group of pastors, churches, para-church groups and marketplace leaders. LOV sensed a need for the unified body of Christ to begin praying, caring, and sharing the love of Christ with the Coachella Valley. To accomplish this goal, LOV invited Dr. Mike Macintosh and The Festival of Life (FOL) to partner with them in bringing a valley-wide evangelistic movement to the Coachella Valley.

FESTIVAL OF LIFE: For over 20 years, Dr. Mike Macintosh and the Festival of Life have been presenting evangelistic festivals throughout the world. Festival of Life's vision is to present the message of Jesus Christ to the entire Coachella Valley by utilizing dozens of venues and involving hundreds of individual believers. This approach will infuse and impact the Coachella Valley with everyone from the homeless to the affluent hearing the good news of Jesus Christ.
