BEAUTIFUL PINE FOREST COUNTRY CLUB IN HOUSTON

Supporting the work of Randy Wolff here in the South Central region

Links Players seeks to change the conversation behind the walls of country clubs by drawing parallels between golf and the walk of faith in Jesus Christ. Establishing local Links Fellowships, we encourage the spiritual due diligence done through study of the Scriptures and discussion of its truths. South Central region director **Randy Wolff**, who coaches the leaders of these many groups in Texas, is made available to do this work thanks to the generous participation of our Spring Tournament players and sponsors.

OUR SPEAKER

Randy has invited **Tim Philpot**, who in addition to having served as a state senator in Kentucky, the president of CBMC International, and now a family court judge, really loves the game. After a collegiate career, he played the British Amateur and other prestigious events, but he'll pick up a club literally anywhere and give it a go!

**Join us for golf, join us for lunch
Men and Women Welcome!**
