Because we know golf—and golfers!—we provide the kind of excellent golf experiences at the OC Charity Classic that true golfers love.

We recognize you as a potential sponsor of this great event, and we know you have key questions: Will my sponsorship benefit an important cause? • Will my guests have a great experience?

The co-beneficiaries of the OC Charity Classic are both important causes.

The St. Joseph Hospital Care for the Poor program provides under-served neighborhoods of Orange County with vital medical care via our mobile care units and the La Amistad de Jose Family Health Center.

Meanwhile, Links Players works among local Fellowships at golf courses throughout the county, inspiring golfers to consider the person and work of Jesus, particularly as he called us to generosity toward people in need.

We can't promise that your guests will hit "the shot of their life," but we can promise they will be met with a friendly welcome, they will eat well, they will enjoy the golf course, and they will have a chance at some very nice prizes. Plus, they will have opportunity to catch the spirit of giving and share with you in your generosity toward St. Joe's and Links Players!
