LINKS PLAYERS

For seven years, Links Players in Southern California, has upheld the Kindling Compassion aspect of our mission by co-sponsoring the OC Charity Classic. We are delighted to include our many local Links Fellowships, which meet at country clubs and golf courses throughout the Southland, in partnering with the Orange County Rescue Mission, particularly because of the Mission's emphasis on serving the needy in so many practical ways. When we think of the compassion of Jesus, which we are trying to live out in our own lives, we want to model ourselves after—and thus support—the work of people like those at the Rescue Mission.

SANTA ANA COUNTRY CLUB

Santa Ana Country Club is Orange County's oldest Club and remains one of the premiere Clubs in all of Southern California. Formed in 1901, Santa Ana CC has continued to be one of the more progressive and innovative golf clubs. What makes 2017 Santa Ana CC such a *special place for our 8th Annual OC Charity Classic is the recent complete redesign and revitalization* of the golf course into a links style experience, offering both the beginner and the lowest handicapper a challenging and visually fun experience. If you haven't had the privilege to play recently, this will be a truly special day. As a private club, you'll not only experience a great golf day, but be treated to great facilities from the TAVERN 1901 opened in 2014 to a state of the art Clubhouse.

ORANGE COUNTY RESCUE MISSION

Under the entrepreneurial leadership of President Jim Palmer, Orange County Rescue Mission has grown from a small ministry into 13 campuses with Orange County's most comprehensive rescue and rehabilitation program for the homeless and at risk populations. Inspired with fresh vision and well-prepared strategies, Orange County Rescue Mission provides holistic services to meet their basic needs, and also to address the root issues that cause individuals and whole families to become homeless.

But, since its inception over 50 years ago, one thing has remained constant. At the heart of this growth, Orange County Rescue Mission remains true to its mission of ministering the love of Jesus Christ to the Least, the Last and the Lost. Every meal served, every service provided and every lesson taught is done with the intention to show the truth and love of Jesus Christ. It is this truth and love in action that rescues, brings hope and ultimately restores, resulting in self-sufficient and Christ-dependent men, women and children.
